THE BAR CHAIR

designed by Benedikt Bolza

Code: FUR-SEA-0007-RD

Handmade in Italy

Created for the Bar Centrale at the Ristorante Alle Scuderie, this Bar Chair features a tall, slender brass-finished steel frame. It also comes in a slightly lower counter version, perfect for use at kitchen islands. The cushions are upholstered in Italian leather, with a range of colours to choose from.

“This chair was designed to ensure relaxed seating at the bar: it is deliberately robust, with a foot rest and a cushioned seatback, which allows the seater to swivel around and use that as an arm rest, if engaging in conversation with others standing.”
