# THE BRAZIER

designed by Benedikt Bolza

Code: FUR-FIR-0005

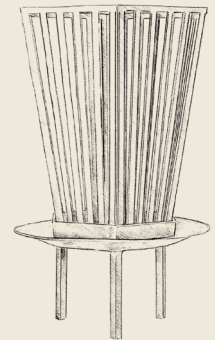

Handmade in Italy

A hexagonal outdoor brazier, perfect for garden terraces or driveways — a glowing beacon for evening gatherings. Its current design owes a detail to a thoughtful guest, who once suggested adding an ash tray beneath: a smart addition now found in every piece.

*“Positioned around a drive or on a terrace they give such an exciting and inviting light”*

↳ Benedikt Bolza
