# THE CANARY BED

designed by Benedikt Bolza

Code: FUR-BED-0003

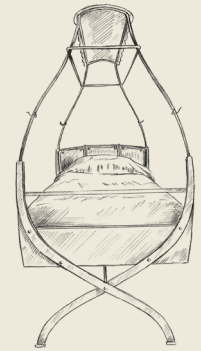

Handmade in Italy

Yellow single bed with X-frame design. With its X-shaped frame painted in vibrant canary yellow, the Canary Bed takes its cue from both fairground gondolas and garden swings. The result is a surreal, single bed that delights at first sight. Suitable for use with either a shallow box base divan or traditional Italian slats.

*"A surreal interpretation of a classic Italian design, part fairground ride and part swing. I love its sinuous form. Canary yellow seems to suit it best"*

↳ Benedikt Bolza
