THE KING'S BED

designed by Benedikt Bolza

Code: FUR-BED-0001

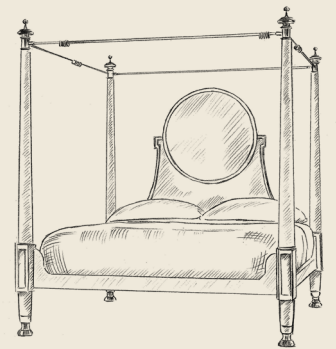

Handmade in Italy

Baroque four-poster in oak and brass. The owners of a Reschio House requested a bed with antique charm, and so architect Benedikt Bolza designed one especially for them. The King's Bed is a baroque-style four-poster with Eastern-inspired finials. Crafted from grisaille oak and finished with brass details, its natural linen drapes are mounted on three sides with sixty metal rings.

"The King's Bed has come from the same stable as my more humble bone bed; it certainly has an air of grandeur."
