# THE LADY SUSAN

designed by Benedikt Bolza

Code: FUR-ACC-0001

Handmade in Italy

A two-tier rotating tray, crafted entirely in brass. Each element is patinated by hand, making every piece one of a kind. Designed to take pride of place at the centre of the table and stable enough for a weighty cast iron pan — whether during meals, homework sessions or bursts of creative energy, what you choose to spin is only limited by your imagination.

*“This piece is one of my favourites - I love the glorified Lazy Susan”*
