THE ROUND GRATE

designed by Benedikt Bolza

Code: FUR-FIR-0001

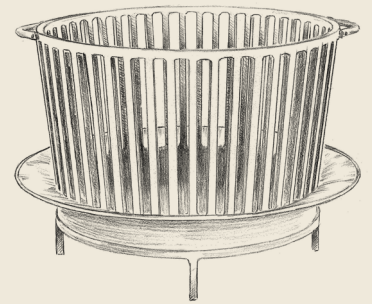

Handmade in Italy

A round outdoor fire grate, designed for joyful gatherings under the stars — where friends can sing, play music, or simply share stories around the fire. Its solid steel structure includes an ash-collecting tray. The surface, bright at first, gains a lived-in charm as it matures.

“I adapted the fire grate for those chilly starlit evenings for friends to sit around the fire and chatter”

↳ Benedikt Bolza
