# THE SIMPLE ARMCHAIR

designed by Benedikt Bolza

Code: FUR-SEA-0010

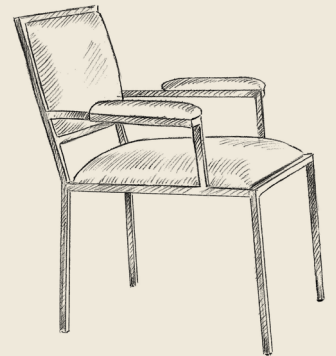

Handmade in Italy

Designed for the Ristorante Alle Scuderie, the Simple Armchair offers a subtle nod to the armchair. Its steel frame supports a gently reclined backrest and seat upholstered in Italian leather, available in various shades. With its essential design, it suits both contemporary and classic interiors.

*"I wanted a chair that was slender and elegant, yet comfortable for guests to linger over a long lunch or dinner. The gentle recline in the backrest is the secret to ensuring complete ergonomic design."*
