# THE TORCHÈRE

designed by Benedikt Bolza

Code: FUR-FIR-0008

Handmade in Italy

Inspired by traditional torch stands, the Torchère is a tall outdoor candle holder in steel, resting on a simple tripod base. Originally designed for a private estate, it comes with six hand-made Sicilian wind-resistant candles. Understated and elegant, it adds presence to any outdoor setting.

*“The heavy wicks produce a wonderful flickering outdoor light”*
