THE WALL LAMP

designed by Benedikt Bolza

Code: FUR-LIG-0009

The Wall Lamp was designed by the B.B. for Reschio studio to complement stone walls with elegance. A solid and tactile burnished brass tube holds a powerful LED light that shines both upwards and downwards.

“I chose a very heavy brass to give this lamp gravitas. It illuminates the centuries-old stone staircases in the Reschio Hotel”

↳ Benedikt Bolza
