# THE WRITING DESK

designed by Benedikt Bolza

Code: FUR-TAB-0003

Handmade in Italy

This writing desk strikes a perfect balance, despite the complexity of its design. It combines three materials: brass (for the legs and details), oak (for the top), and Italian leather in a warm cognac tone (for the inlays). The drawers can be positioned on either the left or right, depending on the writer's dominant hand.

*"Strong contrasting materials combine – I love how the boxy table and drawers seem to float and balance on different tripod legs. Note the wide open shelf-like storage space underneath the writing area"*

↳ Benedikt Bolza
